Maybe. Let's talk when you're back and see where we are in terms of report materials for bronczek and also for the MT board meeting on June 11.

Given your request to Doug and timetable, do you still need me to write something up next week when I get back?

Good morning Doug. Following up on Mayor's meeting this week with Bill, Dave Bronczek and me, I need some information to pass along. The below are the goals from the Grant agreement with the Crime Commission. I'd like to be able to report progress against them in the format below. Can you please have someone fill in the blanks? It would also be great for you to attach an addendum describing activity planned for the rest of 2018 to help meet the goals. The mayor's office passed along the attached document to us but it needs a little narrative to accompany it to make it clear. I need this as soon as possible, ideally today – I know alex's team has all this data already, so hopefully this isn't an onerous request!

Thanks much!
